

# AGM Report - Membership

IRVAP is one of the largest membership associations in the UK for Veterinary Musculoskeletal Professionals. As of 1st November 2022 there were **431** registered Members of IRVAP up from 322 in 2021 (34% increase).

Data based upon published unique member data on equivalent therapist listings of association websites.

Our membership is made up from primary category memberships in the following fields:

Veterinary Physiotherapists	MIRVAP(VP)	54%
Canine Hydrotherapists	MIRVAP(ICH)	25%
Musculoskeletal Therapists	MIRVAP(MT)	10%
Equine Hydrotherapists	MIRVAP(IEH)	4%
Students	MIRVAP(Student)	4%

Note that members are entitled to join multiple categories so the % figures shown are representative of IRVAP as a whole not the sub-bodies of the ICH or IEH.
